

Environmental Policy

Rangemaster is a business unit of AGA Consumer Products Limited, which in turn is a member of the AGA Rangemaster Group plc. Rangemaster employs approximately 1000 personnel across its sites in the UK: Rangemaster designs, develops, manufactures, imports and exports whilst distributing kitchen appliances and associated products from its sites in Leamington Spa and Long Eaton.

- The Managing Director has day-to-day responsibility for environmental issues and has delegated the Business Excellence Manager to ensure this policy is implemented.
- The Business Excellence Manager supplies the Group Environmental Co-ordinator a report each year on the AGA Rangemaster CO2 emissions and water usage.
- The Managing Director of Rangemaster will review this policy annually, and whenever the AGA Rangemaster Group Environmental Policy is amended.
- It is the policy of Rangemaster to comply with the statements issued by the AGA Rangemaster Group plc.

Rangemaster Commitments:

- Maintaining an effective and dynamic Environmental Management System in accordance with the requirements of BS EN ISO 14001:2004.
- Continually developing and maintaining processes and products that minimise, our impact upon the Environment.
- Preventing and minimising waste and pollution as far as is reasonably practicable.
- Developing an energy reduction strategy for the efficient use of energy.
- Sharing and communicating environmental policies, knowledge and awareness with employees, customers, suppliers and other interested parties as appropriate.

Signed:

Mike Bufton
